April 2009 Newsletter

Hi Everyone,

Over the last month, we have witnessed more of God’s amazing miracles. Here are just a handful of the hundreds of healings and miracles we have seen. In addition to the healings, the greatest miracle we see is the number of people who give their lives to Jesus at the meetings.

Kawana Waters

- Caroline suffered from **chronic fatigue and fibromyalgia** for 10 years, but is now pain free. A week after prayer, Caroline was able to move house and clean the rental house she left, all without any help. Caroline said it was awesome, “I’m sixty shortly and I couldn’t get over how good I felt. God doesn’t muck around. He healed my body, and has given me my life back. I am so thankful. It brings tears to my eyes when I think of how he healed me.”

King’s Church, Gold Coast

- Jacob, a Russian man who has suffered from severe **arthritic pain** throughout his body for over a decade and was unable to sit for longer than 7 minutes, was able to walk straighter and without a walking stick after prayer and all pain left his back. He was also able to sit comfortably through three of John’s meetings over the weekend which were 3-4 hours long.

Burpengary Baptist Church

- Neil, who suffered from **pain in his back** for over twenty years and spent a lot of time and money at the chiropractor’s is now pain free.
- Judith who suffered **optic nerve damage** in her left eye and lost 75% of her sight for 6 weeks after an accident, was healed.
- Lorna, who has suffered from **unbearable pain from arthritis in her knees**, no longer needs her scheduled knee replacement surgery!

Coolum Assemblies of God

- Sarina Faulkner was **paralysed** for two years on her left side after suffering 7 **strokes** and struggled into the meeting on a walking stick with support from others. After

prayer, Jesus healed her and she no longer needed the stick and support to walk and she could raise her left arm that had been paralysed. She walked into two more meetings unaided to the glory of God.

Toukley COC, NSW

- Kay Jones was healed of pain in a **displaced neck** and **pain in her right hip** after a car accident 26 years ago.
- Shelly Witchard, 28, had a **bulging C6-7** in her neck which caused severe pain and migraines. She suffered from this condition for 8 ½ years, until after prayer, God put her neck back in place and all pain left and the bulge disappeared.
- Joy Williams, 73, came to the meeting using a walking stick that she'd relied upon for 10 years because she has suffered from very **poor balance**. She also suffered from **heartburn** but was totally healed of both conditions and went running around the church without her stick, which she threw in the bin when she got home. Joy's twin sister Margaret, was also healed of **gastric reflux**.
- Joy Shadlow was healed of several conditions: blurry vision from **cataracts** in both eyes, severe pain in her left hip from a **slipped disc**, a **trigger finger** on her right hand and **pain from radiation** damage in her body after treatment for cancer 25 years ago.

The Range COC, Montville, QLD

- Jen Bushby-White 46, suffered from birth from a degenerative, genetic neuro-sensory **hearing impairment** which left her with significant to profound hearing loss since she was a child. Her ears opened when John prayed for her and she can now hear normally.
- Pastor Mark Green received a **filling in a hole in his tooth** when John prayed for him. Drop by Montville Gourmet Pizza and ask him to show you his amazing miracle.
- Rudy Vanderwerf, 66, had suffered from **back problems, pain and headaches** for thirty years after an accident on a building site. He had two broken two vertebra and his pain gradually became worse over the years. After prayer, all pain in his back left and he could feel the pain in his legs leaving as circulation was restored.
- Narelle Larmar, 60, has suffered from arthritis and an **entrapped nerve** in her left hand and arm since coming off a see-saw and landing on cement when she was eight, in 1956. Narelle's hand, arm and neck were released from pain and restrictions after prayer.
- Penny Smith, 61, was healed in her **neck and upper back after suffering debilitating pain** for over three years. After prayer, Penny felt her body loosen and a knot in her neck disappear. She heard a crack in her left shoulder as she lay on the floor and her left shoulder dropped and released.
- Tracey Scurr, was healed of blurry eyes and **short-sightedness** which were symptoms of diabetes. Three of Tracey's sons have also been healed. Alistair Scurr, 6, had a **sore neck** which was healed after prayer. Two years ago, Nick Scurr was healed of

asthma and Lachlan Scurr was healed of a **spiral fracture in a finger** and did not need surgery after John prayed for him.

All praise and glory to God for the wonderful things he continues to do because of Jesus' perfect work on the cross!!

Please continue to pray for the growth of the ministry and for financial sponsorship to come in to the production of programs on the ministry's miracles for Christian television.

God bless you all abundantly!
