John Mellor Ministries, March 2009 Newsletter

Hi Everyone,

It's been a long time since I've sent out a newsletter, but I'm endeavouring to send one out every month and keep you up to date with my ministry and the most outstanding miracles I've seen.

Below are **just a fraction** of the hundreds of miracles I've witnessed recently.

Australia 2008

- At Narrabri 6 visually impaired people had **sight restored** in one weekend including a 9 year old girl named Tahnee who was **blind since birth** in her left eye. She was healed and able to read out of her once blind eye.
- At Goondiwindi, a local lady named Vera, who suffered from a crippling lupus condition, threw her walking stick away and **ran after she was healed instantly**. 60 years of pain disappeared! Her brother and his friend later were healed of severe spinal conditions and all received Jesus. Her testimony has had a powerful affect on her local community.
- At Grafton, Donella was **healed of blindness** and her peripheral vision was restored.
- At Tenterfield, Joe had all **Parkinson Disease symptoms leave**. After prayer all shaking ceased.
- Ken was set **free of severe spinal pain** after 8 operations had failed. He says that now he has a life again.
- At Woombye, Dianne was healed of a serious painful knee condition and now her **knee replacement operation has been cancelled**.

Scotland – January, 2009

A Church of Scotland minister testified to not experiencing knee pain again since he was delivered from using a walking stick back in 2001 when I prayed for him. At the recent outreach in the Black Isle, he was healed from cataracts and now can read clearly from a distance without his glasses. He is 83 years of age.

Rochester England - January and February, 2009

- Anne was healed after being **in a wheelchair for 10 years**. Pain left her legs and spine and she was able to run around, completely restored!
- Gill suffered from a rare neurological condition, Cerebellar ataxia, since birth, and had always had pain throughout her body and an inability to turn her head to the left. She was healed and **pain free for the first time in her life**. She is in her 60s.
- Martin testified of having been healed last year of an incurable disease of the feet. All **numbness and pain disappeared** at Gibraltar last May and has never returned. It was because of his healing that the Bishop of Rochester invited me to minister in his diocese.
- Martin's best friend had his long term, painful twisted spine healed and his osteopath was shocked by his now **straight spine**.
- Several severely crippled ladies were **able to walk normally after prayer**. Pain left bodies and strength returned to them. One had suffered from a debilitating brain tumour.
- A young man was healed of a serious hip injury and impending hip replacement from a skiing accident. **All pain left instantly after receiving prayer and full movement was returned to the hip joint**.
- At the Vale Church in Oxfordshire, 6 year old Joshua was healed of fractures to the front and back of his hip. Joshua injured himself when his sled ran into a lamp post. He was due to be on crutches for 8-10 weeks, but when he came to my meeting 3 weeks after the accident, **he was instantly healed and running around again**.
- Mark was instantly healed of painful long term knees and **can now run**.
- Heidi testified of having been **healed of a rare eye condition** in 2007 when I was last at the church. She has perfect vision and no more dizziness!
- At Bogna Regis, Matthew's **impaired vision was instantly restored**. Matthew had blurred vision in one eye after a car accident some years before and now see clearly.

I have great visions for the ministry growing and touching more lives in 2009. I am working towards organising larger, multi-church meetings in bigger cities to let the unsaved and those in need of healing hear the good news that Jesus is the same today and he still longs to save and heal lives. I am praying for sponsorship and people to partner with me in making my

vision become a reality. If you know of any businesses or people who might like to help, please ask them to email my Executive Pastor and Personal Assistant at info@johnmellor.org

We also have a great 5 minute promotional video featuring some of the most outstanding miracles and healings. We encourage you to send this link to encourage others to have faith for their healing. Here's the link:

Also, I ask that you continue to pray for my ministry so that we continue to see thousands more people saved and healed in Jesus' name in 2009.

God bless you all!
